Rationale

There are many benefits to having a consistent and recognisable uniform:

- It allows for easy identification of students, essential for effective safeguarding;
- It instils pride and gives students a sense of belonging;
- It establishes and reinforces positive expectations of students, which supports positive behaviour and high achievement;
- It helps students to understand the importance of presentation;
- It protects students from social pressures to dress in particular ways and prevents competition between students over clothing and fashion.

- Respect the school's policies and any sanctions that their son or daughter receives for not complying with the uniform policy.
- Taking sensible steps to ensure that their son or daughter can comply with the uniform policy, such as purchasing the correct items of uniform.
- Checking that their son or daughter is in correct uniform before leaving the house in the morning.
